

WEBSITE GDPR & PRIVACY POLICY STATEMENT

1.0 INTRODUCTION

- 1.1 We are committed to the safeguarding of the privacy of all our website visitors.
- 1.2 We do not use cookies or tracking software of any kind on our website. However, it should be noted that the use of links from our website to other websites may result in the use of cookies or other electronic data recording over which we have no control.
- 1.3 We do not require the recording of any data from any of our website visitors in order for them to view the content of our website.
- 1.4 We do have an electronic Enquiry Form on our website for any visitor wishing to make a formal enquiry regarding any of the services or goods that we offer. Any data that is recorded upon that form by any visitor to our website will be used solely for the use of processing that enquiry.
- 1.5 Our website contains alternative contact details for Lazarus & Associates Limited for any visitor who may wish to contact us without using the electronic Enquiry Form.
- 1.6 We do not share, sell or use any of the visitor data for any purpose other than that for which it was provided.

2.0 GENERAL

- 2.1 Our website is "hosted" within and is governed by the data protection laws of the United Kingdom, (Data Protection Act 2018).
- 2.2 Any data that is provided by visitors to our website by way of the electronic Enquiry Form will be stored within our system to which no outside bodies or personnel not directly involved with our Company will have access.
- 2.3 Whilst the regulations governing data protection are considerable and this Policy Statement is a brief summary of how we handle the data of any visitor to our website we will respond to any queries or "rights" of request that are raised with us. Those "rights" include, but are not restricted to, the following: -
 - Removal.
 - Rectification.
 - Complaint.
